PROGRAM OF JUDGING

Judges are not required to wait for dogs. They will adhere as closely as possible to the judging schedule printed in this program. The owner or handler of each dog is solely responsible for having it ready at ringside when its class is to be judged. The show-giving club and Secretary have no obligation or responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required. Being an unbenched show, you need to be at the show only in time for your judging and may leave any time after judging. Number before each Breed (Variety) indicated the number of dogs entered in that Breed (Variety). Numbers after each class represent the number of dogs entered in regular dog classes and the number of bitches entered in regular bitch classes, Specials only and in non-regular classes. For your convenience, the following class divisions have been carefully tabulated; however, neither the Club nor the Show Secretary assumes responsibility for absolute accuracy.

Saturday — There are 45 Dogs entered in this show with a total of 59 entries.

Sunday—There are 45 Dogs entered in this show with a total of 56 entries.

Remembering SKY

We said farewell recently to "Mr. True Blue."

Sky will forever hold a special place in our hearts.

He took ownership of us at the March 1995 HOAKC Specialty.

Although not our first Kees, Sky will forever be first in many ways –
Our first show dog, our first champion, the first to show in the utility ring.

Sky was a true showman and came alive in the ring
inspired by the attention and applause.

Although a fierce competitor, Sky was first and foremost a pleaser.

With a cock of the head, his beautiful big brown eyes looked inside and stole our hearts.

"Sky-man" gave us comfort when we were sad and always made us smile.

"Skyster" enjoyed going for car rides and watching life roll by.

A loyal, consistent and dependable sergeant in our home until the end.

Although age robbed your grace, your drive and desire to please never failed.

Our faithful companion, you will be dearly missed.

May you run with Salsa and chase squirrels together once again.

Tom and Stacey Alexander, Mesa and Thunder

*"Dogs come into our lives to teach us about love ... they depart to teach us about loss.
A new dog never replaces an old dog; it merely expands the heart." ~ Erica Jong*
